Mike Robbins

Director / Coordinator

March 11, 2019

Weather Spotters:

Mercer & Auglaize County Offices of Homeland Security & Emergency Management are pleased to announce that we will be hosting a **Weather Spotter Course** presented by the Wilmington Office of the National Weather Service on:

• **Thursday, April 11, 2019 @ 6:00 PM**

The class will be held in **Dicke Hall, Wright State University Lake Campus**,
7600 Lake Campus Dr, Celina, Ohio

Registration is **NOT REQUIRED** for this evening class.

This is an excellent training class for anyone. Even if you have taken this class before, there is always more that can be learned! I encourage every facility in Mercer County to have trained spotters available who are able to identify threats and give an internal warning.

Remember, a trained eye is still the best detection device available to identify tornados. I encourage everyone to attend this class.

Sincerely,
Mike Robbins

SPRING WEATHER AWARENESS WEEK
MARCH 17 – MARCH 23, 2019

OHIO'S STATEWIDE TORNADO DRILL
will be performed on
WEDNESDAY, MARCH 20, 2019 AT 9:50 AM

Preparedness Doesn't Cost It Pays!!!!
