

Legionnaires' Disease: Prevention and Control in Healthcare Facilities Seminar

Please Join Us!

Date: Tuesday, March 10, 2020

Time: 1:00 PM – 2:30 PM

Place: Wright State Lake Campus
James F. Dicke Hall
7600 Lake Campus Drive
Celina, OH 45822

Topics: A brief overview of the epidemiology and clinical aspects of Legionnaires' disease (LD) will be presented, followed by information on the prevention and control of LD in the healthcare setting. The main features of a water management program will be discussed along with the critical points for preventing and controlling LD in the healthcare setting.

Speakers: Mr. Bryce Kerr, MS & Ms. Ellen Salehi, MPH

RSVP by: Monday, March 2, 2020

If you have any questions please email Kristy Fryman at: kfryman@mchdohio.org or call 419-586-3251 ext. 1286

Sponsored by: Mercer County Healthcare Disaster Preparedness Coalition (MCHDPC) & Auglaize County Healthcare Preparedness Coalition.

The Mercer County Healthcare Disaster Preparedness Coalition (MCHDPC) & the Auglaize County Healthcare Preparedness Coalition are voluntary groups that provide or support health services in Mercer & Auglaize Counties. The goals are to maximize healthcare response capabilities and minimize healthcare system interruption during emergencies by planning together to identify and fill gaps. Recruitment of members is ongoing. The Coalitions meet semi-annually to engage in planning, completing training and exercises. The Coalitions will work to support the restoration of community healthcare systems, including public health, medical, and mental/behavioral health, post-disaster.
